in sonu-mondal-2380981a7

My name is Sonu Mondal, a final year B.Tech student in Computer Science and Engineering at Narula Institute of Technology. With technical expertise in the MERN stack, I excel at creating dynamic and user-friendly websites. I am actively seeking roles as a **Software Developer**, **Full Stack Web Developer**, **Frontend Developer**, **or Backend Developer** to leverage my skills and passion for web development in a professional setting.

#### **FDUCATION**
